

# Leak Detection and Water Accountability

A free training class sponsored by California Rural Water Association and the Department of Water Resources Water Use Efficiency Program

## March 10, 2009 Willits (Mendocino County)

**Registration:** 8:15 am – 8:30 am  
**Classroom Session:** 8:30 am – 3:30 pm  
**Lunch:** 12:00 – 1:00 pm (on your own)

**Leak Detection:** Review of preliminary survey, zones and zone measurements, pinpointing leaks, estimating leaks, hands-on discussion & demonstration of leak detection, modern methods of leak detection, sonic leak detection, correlation equipment, and demonstration and practical use of leak detection equipment. A pre-project survey will be conducted for leak correlation with a goal to rank and identify entities with the most prioritized need of assistance and list development.

**Water Accountability:** Discussion will be about water accountability principals, water accountability from the standpoint of meter calibrations, unaccounted-for water loss, and production vs. water sold.

**Instructor:** Michael Sims, CRWA Trainer, 25 years experience in water quality and water lab analysis

**Who Should Attend:** All who need to be refreshed with new techniques and are willing to learn. Come and share your techniques and talents as well.

**Brooktrails Township CSD**  
24860 Birch Street
